19 April 2017

As Chairman of the Nelson College Board of Trustees I am pleased to announce the Boards decision to proceed with the second stage of the Boarding development, the refurbishment of the Rutherford hostel.

The Board will, upon receipt of full architectural plans and building tender documents consider a financial plan with the intention at this stage of having the refurbishment completed by the 4th Term in 2018.

On behalf of the Board, I would like to thank all those involved in the Barnicoat refurbishment and we look forward to the successful completion of stage two of this important project.
