OR

Compulsory Subjects			Option Subject – One	Option Subject – Two
		Science Combo		
		Biology Environmental Science	Chemistry Physics	

Guidance Notes

- You must have the equivalent of **six** full year courses.
- Your selections should consider any prerequisites and may be subject to HOD approval.
- Your selections should not be made in isolation. Consider what you have studied already and your career pathway.
- Your careful consideration is required with option selection. Changes later, while not impossible may be difficult once classes are set.

Note: Some courses may not run due to lack of numbers. Your Dean will **contact you** if this affects your selected options or if you have a subject clash.
