

February 2018

Dear Parents/Caregivers

Nelson College Fitness Centre

The joint forces of the PTA, our Trade Building class and other contributors have led to the creation of a quality fitness centre.

The annual fee is \$60.00, which is to cover maintenance, and possibly some programmed upgrading. The Centre will be opened on a roster subject to supervisor availability (to be published).

A supervisor will be present to oversee the safe use of the equipment and to deal with any emergency situation, but not to advise on specific programmes or training schedules.

To join the students need to return the Permission Slip below with their details and pay the \$60.00 registration fee to the finance office. An ID card will then be given as proof of membership.

The fitness centre is on college grounds and normal school rules regarding behaviour apply.

Regards

Tim Tucker
DEPUTY PRINCIPAL

✂-----

Please return to Finance Office with \$60.00 registration fee

Permission Slip to join the Nelson College Fitness Centre

I / We understand that the role of the Supervisor is to oversee the safe use of the centre and that it is my son's responsibility to develop a programme and to follow all centre rules (attached).

My / Our son has no known medical condition which would restrict his ability to safely use the facility.

I / We give our permission for our son to join the Centre and he is aware it is a college facility and normal school rules apply.
