## PTA UNIFORM SHOP

**The Uniform shop is the sole supplier of the college uniform**

The PTA sell new and used uniforms from their shop located in the front carpark beneath the Main Office area.

The benefits to the College and the College community through this venture are:

- Quality items of uniform at reasonable prices, including second-hand items.
- Standardisation of the uniform. Parents will know exactly what the uniform code is as only regulation items will be sold. Those working in the shop will be able to answer any queries.
- All profits from the shop will go directly back to the College.

The PTA look forward to the support of all parents for this venture which will benefit the College.

*More information about the school PTA can be found on the school website and the PTA Facebook page. Funded by the uniform shop, the PTA is able to focus on providing information evenings and other events that foster a sense of community within the college and provide an opportunity for parents and caregivers to become engaged with others in the school environment. The PTA also uses these funds to support students who represent the college at national and international sporting and cultural events.*

*If you would like to become involved please feel free to contact us via the PTA page on the school website [www.nelsoncollege.school.nz](http://www.nelsoncollege.school.nz)*

These prices stand as at May 2018
